CONDITIONS

1. ALL QUOTATIONS MUST BE SIGNED. Enclose in an envelope plainly marked "BID".
2. In submitting the above, the vendor agrees that acceptance of any or all quotations by the purchasing office within a reasonable period constitutes a contract.
3. Right is reserved to reject any or all bids, or to accept separate items in a bid, unless the right is denied by bidder.
4. In case of default, the municipality may procure its supplies from other sources, and hold the original bidder or contractor liable for resulting increased costs.
5. Samples, if requested, must be furnished at bidders expense and, if not destroyed in testing, or retained as a standard, will be returned on same terms, if requested.
6. The purchasing Agent reserves the right to increase or decrease by ten per cent the quantities of any item or items ordered.

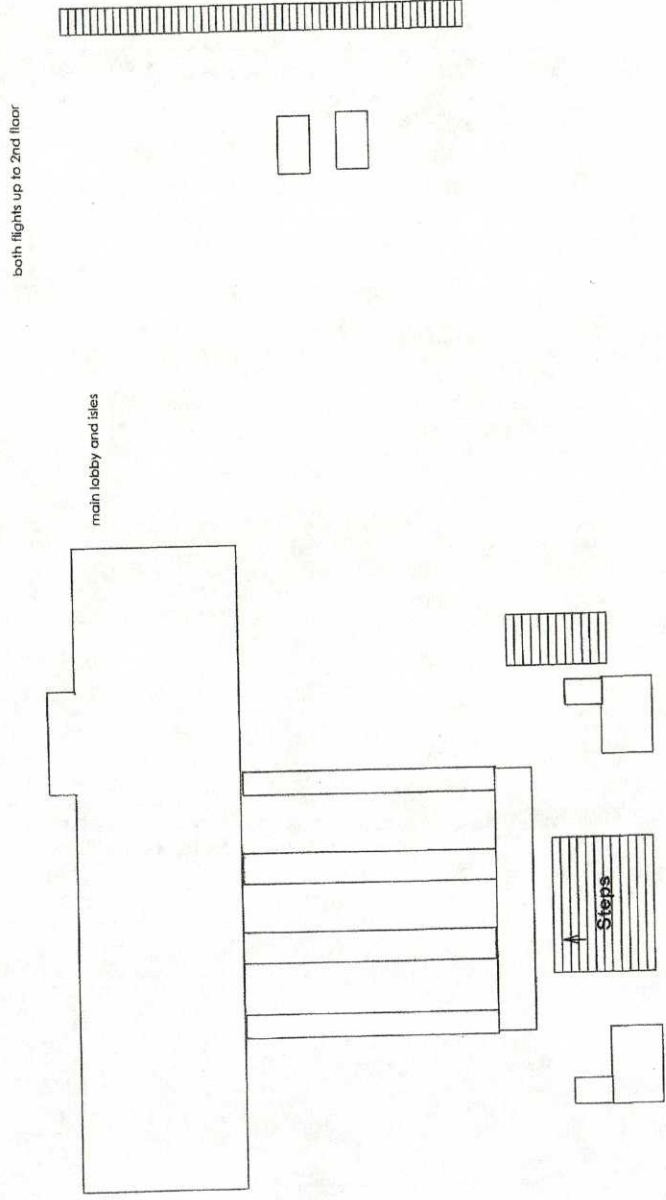

NOTICE: QUOTATIONS ON ANY FORM OTHER THAN THIS WILL NOT BE CONSIDERED.

Weldlok® AIR

Broadloom Backing with Integrated Cushion

The next evolution in attached cushion backed broadloom, Weldlok® AIR offers substantial sound reduction and enhanced comfort under foot. It also incorporates up to 50% recycled content (pre-and post-consumer) by total product weight.

PERFORMANCE

- For use with direct glue installations
- Standard backing with attached cushion designed for commercial applications
- Increased load deflection reduces physical stress and provides comfort under foot- the perfect solution for today's sit/stand work environments
- Noise Reduction Coefficient = 0.3, reduces ambient sound by 30%
- Impact Insulation Class 70. Performs more than 2x better in reducing sound transmission than hard surfaces and 40% better than standard carpet
- Provides additional thermal resistance (R-Value)
- Reduces the risk of injuries in the event of a slip or fall-a common concern in Healthcare and Assisted Living facilities

SUSTAINABILITY

- Recyclable
- Contains no plasticisers
- PET cushion layer of Weldlok® AIR contains 65% post-consumer recycle content
- Finished product contains a total of 38% pre-consumer and 12% post-consumer recycle content; total 50% recycle content by finished product weight.
- May contribute or comply with LEED credits MR 4.0, MR 5.0, IEQ 4.3 and innovation credit of NSF 140
- Certified NSF/ANSI 140 PLATINUM with a minimum of 14% post-consumer recycle content
- Certified low VOC's under CRI Green Label Plus Program
- Compliant with LEED EQ 4.1 low VOC emitting when installed with Durkan adhesive and seam sealer

BUDGET

- Standard backing with attached cushion for budget conscious projects

SERVICE

- Contact your sales representative for more information
