

INTERNATIONAL FLAG PLAZA

The "International Flag Plaza" is a tribute honoring all those who respond to 911 calls in the United States and Canada. The Plaza is located in the park area adjacent to Lake Huron, north of the Blue Water Bridges.

The brick patio encircling the American and Canadian Flag is financed entirely through donations and the purchase of engraved "Tribute Bricks." Engraved "Tribute Bricks" are a great way for emergency responders and the public to show their dedication and support. For \$30.00 your 4" x 8" brick may be inscribed with THREE lines, each with 12 CHARACTERS and/or SPACES PER LINE. For information about the "Tribute Bricks" call 810-984-9751. (Absolutely **NO** groupings and **NO** location requests can be accommodated!!!)

LAKE HURON
